

Going out tonight?

So are we.

We're setting up DUI checkpoints every week, everywhere in Delaware. Thousands drive through them. Chances are you'll be next. The legal, social and financial consequences of drinking and driving are *severe*. So why risk it?

What a DUI will cost you:

- **Average of \$3,150 in fines, court costs and attorney fees**
- **Driver's license revoked for 3 months or more**
- **8 weeks of mandatory DUI treatment classes with drug testing (another \$300–\$700)**
- **A criminal record**
- **Insurance premiums at triple your normal rate**
