STOP SPEEDING

BEFORE WE STOP YOU.

CRAVE THE RUSH THAT SPEEDING GIVES YOU? LIKE THE FEELING OF POWER?

Then hope you enjoy:

- the fines that come with speeding tickets
- higher insurance costs when tickets add up
- spending extra money to fill up more because of the gas you're wasting
- people calling 911 to report you for aggressive driving

Aggressive driving costs more than you think. And right now officers statewide are cracking down on speeders.

CAN YOU REALLY AFFORD IT?
